CHARACTERISTICS & VARIATIONS

Naturally occurring wood characteristics include, but are not limited to, variations in color, grain, mineral streaks and knots. Color variations are a natural occurrence due to species, age, character of cabinets and exposure to UV light and sunlight. Such variations and changes are not considered defects. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets.

Warping is the bending or twisting of a part. To measure a door or shelf, lay the product on a flat surface and measure the gap from the surface to the part. The standard allowable tolerance for wood is 1/8" per lineal foot. Materials that fall within specification are considered acceptable, as a part of the natural characteristics of wood.

Species Characteristics Include:

Birch has a muted straight-grain pattern that is predominately off-white in color, though it may also contain hues of yellowish-brown. The texture is highlighted by its curls of the light, reddish brown heartwood. Both attractive and affordable, the inherent beauty of birch cabinets creates a warm inviting space.

European Oak has a tight grain that is highlighted by the natural character of the lumber. Variations of color ranging from a light to medium brown heartwood, with natural occurring variations such as mineral streaks and pin knots.

Painted door styles use HDF rails and stiles with MDF center panels when painted. Using High/Medium Density Fiberboard provides a smooth, painted surface that does not expand or contract and reduces visible seams where pieces are joined. Fiberboard also provides a stable substrate that minimizes warping and provides better moisture resistance – an industry standard material for painted product. Painted cabinets provide the ideal backdrop for your kitchen design.

COMPLEMENTS PAINT

Wolf Classic Complements offer added personalization with accent colors for base cabinets, islands, vanities and more. Plus, they're the perfect complement to our most popular Wolf Classic styles and colors.

All cabinet interiors will be white, including prepped for glass cabinets.

Available on most cabinets and accessories.

Extended lead time applies.

Bayside – A rich, medium blue. This slate blue hue is extremely versatile and will accentuate every style in any room.

Biscayne – The darkest of our Wolf Classic Complements blue finishes. A deep, rich blue shade closest to navy is both elegant and timeless.

Cape – The just-right neutral, a light, breezy tan finish. Vibes of tranquility and luxury, this color works as the foundational backdrop for other design elements or as the main feature.

Currant – A vibrant and fiery red tone. Sure to infuse life into any space it graces, this striking red commands attention and inspires creativity.

Evergreen – A lush and vivid gemstone green. A surefire way to add drama and luxury to any room, this color is a testament to bold expression.

Goldleaf – As its name suggests, a loud golden yellow. A daring and exuberant color choice, this burst of sunlight is for those looking to make a vivid and memorable statement in their décor.

Juniper – A deep, dusty grey-green hue. Rustic, yet refined, this finish will create a warm and charming focal point in any living space.

Laurel – A bold, seagrass green. A showcase of any unique, personal style, this finish will brighten and energize upon first glance.

Midnight – A refreshing black finish void of any undertones. With a velvety look, this strong hue will add dimension and make a statement no matter what room it's used in.

Palmetto – A nod to green with grey undertones. This subtle, light green shade provides a softer color contrast while also adding plenty of character.

Seabreeze – A cool-toned blue-green finish most like robin's egg blue. Just the right amount of color for a clean, crisp accent in any application.

Seaport – More royal than Bayside and lighter than Biscayne, this strong mid-range blue is bold, yet sophisticated while providing endless depth.

Silhouette – A shade lighter than Midnight, a deep slate grey. This dark finish embodies a sense of depth and drama, casting a subtle yet commanding presence.

Stonybrook – An inviting combination of brown and grey make a strong, earthy finish. Adaptable and sure to make any neutral space interesting and inviting.

WOLF CLASSIC | LIMITED WARRANTY**RESIDENTIAL PURCHASERS – LIMITED LIFETIME WARRANTY**

Wolf Home Products warrants to Original Residential Purchasers that cabinets, drawers, drawer guides and hinges used in the manufacture of Wolf Classic cabinets shall be free from defects in material and workmanship under normal residential use, provided that such Original Residential Purchaser remains the record owner of the home in which the cabinets are installed and uses that home as a primary or secondary dwelling. Original Residential Purchaser means any person who purchases and installs the cabinets in a private residence that is owned and used by that person as a primary or secondary dwelling, or, in the case of a developer or builder purchasing and installing the cabinets in a private residence that is or will be owned and used by the owner or a purchaser as a primary or secondary dwelling, this limited lifetime warranty may be assigned to the owner or initial purchaser of such private residence. Original Residential Purchaser shall not include corporate entities, partnerships, governmental agencies, trusts, religious organizations, schools, condominiums or cooperative housing arrangements. This limited lifetime warranty is not transferable to subsequent purchasers.

COMMERCIAL PURCHASERS – 5-YEAR LIMITED WARRANTY

Wolf Home Products warrants to all Original Commercial Purchasers for five years from the date of original purchase, that cabinets, drawers, drawer guides and hinges used in the manufacture of Wolf Classic cabinets shall be free from defects in material and workmanship under normal use. Original Commercial Purchaser means any person or entity, other than an Original Residential Purchaser, who purchases Wolf Home Products for use in a commercial residential application. This 5-year limited warranty is not transferable to subsequent purchasers.

GENERAL WARRANTY GUIDELINES

Should Wolf Classic cabinets fail during the applicable warranty period due to defects in the material or workmanship under normal use, Wolf Home Products, at its discretion, will repair or provide the parts necessary to replace the defective products. This warranty is applicable only to products used in the United States and is not transferable.

This warranty does not cover products that are misused, abused, mishandled, improperly installed, improperly stored, changed, modified or subject to extreme temperatures or extreme moisture levels, or normal wear and tear. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or the consumer.

Variations in color and grain pattern are a natural characteristic of wood. Color changes also may result from exposure to light, heat, smoke, household cleaners, and other elements and environmental conditions that are part of the aging process. These material variations and changes are not covered by this warranty. Wolf Home Products reserves the right to substitute for discontinued product the most similar product in styling, wood species and color available at the time a claim is submitted.

Paint finishes are uniquely different from standard wood finishes. On all wood products, expansion and contraction are typical due to changes in climate conditions. Due to this normal movement, paint finishes may develop slight separation lines, finish breaks and seam lines. With use of selected hardwoods and veneers, some grain patterns and wood characteristics (checks, pin knots) as well as seams and joints will remain visible through the paint finish. Over time, there may be a slight color shift, due to exposure to natural and artificial light. These normal conditions are not considered quality defects and are not covered by this warranty.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF WOLF HOME PRODUCTS AND IS IN LIEU OF AND WOLF HOME PRODUCTS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

This warranty is effective with material delivered on or after January 2, 2024. For materials delivered before January 2, 2024, the 5-Year Limited Warranty shall apply.

HOW DO YOU OBTAIN WARRANTY SERVICE?

This Limited Warranty can also be found in the documentation that accompanied Your Product. To obtain more information regarding the Product or to make a claim under this Limited Warranty, contact one of our authorized dealers or distributors, who will arrange for inspection of the Product. A dated sales receipt as proof of purchase is required to obtain benefits from this Limited Warranty. If you have difficulty obtaining assistance, please write to:
